## THE COMPANY

RONewa CREATIONS (Pty) Ltd (registration number: 2015/224713/07) is a business entity that provides landscaping and gardening services to the private and public sector.

The company is 100% black women owned; proudly founded and managed by directors Lesego Seloane and Dinah Kgeledi.

Lesego Seloane holds a BSc Life and Environmental Sciences (Biochemistry and Botany) and a landscaping certificate.

Dinah Kgeledi Dinah holds a National Diploma in Information Technology and landscaping certificates in Design and Horticulture.

Members of:

## THE TEAM

Ronewa Creations was inspired by Lesego's grandmother's love for gardening and creativity towards scenic landscapes.

The company's team is dedicated and hard working - each individual is passionate about creating a beautiful natural environment.

The team strives to provide services in the timeliest manner with an ongoing comprehensive quality control program in place to provide 100% customer satisfaction. Each project is valued to create mutually beneficial long-term business relationships.

## VISION & MISSION

Our vision is to be a turnkey landscape installations, maintenance, and gardening services provider throughout Africa.

Our mission is to provide beautiful creations that meet and exceed our clients' expectations through convenient and professional services.

Our aim is to make each client fall in love with their environment and surroundings, to promote health, safety and general welfare of citizens by preserving and enhancing their natural environment.
